*Mother's Day Weekend, 2019!*

**HEEBNER PARK**

1721 South Valley Forge Road  
Collegeville, (Worcester Township) 19426

**Sponsorship  
Opportunities**

A Mother's  
Wish<sup>Foundation</sup>

*'Supporting those with IBD'*

***We are so excited to announce our FIRST EVER A Mother's Wish 5K, a fundraising event to raise awareness and funds for the inflammatory bowel diseases - Crohn's disease and ulcerative colitis. This event, which includes a 5K run and 1 mile walk, is a family-friendly day of giveaways, raffles, entertainment, refreshments and so much more!***

### ***WHO WE ARE...***

Laura Weiner, whose son Thomas suffers from Crohn's disease, founded a **Mother's Wish Foundation** in 2009. When Laura turned fifty, her only wish was that Thomas would someday be healthy enough to celebrate his fiftieth birthday milestone. Laura's friends took her words to heart, and out of that desire founded **A Mother's Wish**. Our wish is simple... to raise money to find a cure for Inflammatory Bowel Disease, as well as to help support other mothers and families that have also been affected by IBD. Since 2009, A Mother's Wish has grown from one Mom to a network of many who have a passion for finding new treatments with the ultimate goal of finding a cure.

### ***HOW YOU CAN HELP...***

We are seeking out local sponsors to help support the success of our event. There are a variety of sponsorship levels available to you, all of which have been detailed in this packet. Sponsoring this event is not only a great opportunity to gain exposure for your company, but to support an organization who uses all funds raised to:

- **Send \*C.O.P.E.S Care Packages**

*\*(C = Crohn's & Colitis, O = Organization, P = Providing, E = Education, S - Support)* to families which provide them with items needed to help them get started managing the disease in their day to day activities.

- Support **CHOP** in their Microbiome research and last year pledged **\$25K** to help get answers and cures for our children.
- Join University of Pennsylvania with Dr. Gary Wu in their Microbiome Research and pledged **\$25K** to get answers and cures for our children when they become adults.
- Send **25** scholarships to **CCFA's Camp Oasis** which allowed children with Crohn's to have a safe place to be a kid and go to a camp they otherwise could never attend.
- Continue community outreach for parents, family members and children dealing with an IBD diagnosis
- Be a place where people call us for support, listen to their trials and tribulations, concerns, and heart breaking stories

***Thank you so much for your consideration in supporting us. Please do not hesitate to contact us should you need assistance customizing any sponsorship levels to meet your company's needs. In addition, please be sure to submit your sponsorship by March 30, 2019 to ensure your listing in all event print/promotional materials.***
